REPORT OF TOWN MEETING

March 7, 1972

A meeting of the Inhabitants of the Town of North Hampton qualified to vote in the town affairs and holden in the School Building in said town, the alphabetical list of the voters having been posted and subscribed on the back thereof by the Supervisors of the Checklist, was called to order at Ten o'clock in the morning by the Moderator, John T. White, who declared the Polls open, the business meeting to be held at 7:30 P.M. It was moved and seconded that the Polls remain open long enough after the business meeting to give everyone an opportunity to vote.

At 7:55 P.M. Moderator White declared the meeting open and announced that the Polls would remain open long enough after the meeting to give everyone an opportunity to vote.

Officers elected from the floor

Overseers of the Poor

James F. Leavitt moved and it was so voted that the Selectmen continue as Overseers of the Poor for the ensuing year.

Fence Viewer

William Fowler moved and it was so voted to have the chairman of the Zoning Board of Inspectors continue as Fence Viewer.

Surveyors of Wood and Lumber

William Fowler moved and it was so voted that C. William Carter and D. Morris Lamprey continue as Surveyors of Wood and Lumber.

Public Weigher

William Fowler moved and it was so voted that D. Morris Lamprey continue as Public Weigher for the ensuing year.

Rudi A. Smith	390
Harlan Cutshall and Henry H. Martell, Jr. were elected.	

BEANO QUESTION

Shall the provisions of Chapter 171-A of the Revised Laws relative to playing games of Beano be adopted in this town?

Yes 387

No 290

ARTICLE II — Presidential Primary

ARTICLE III. James Leavitt moved and it was so voted to pass over this article until after Article XVI.

ARTICLE IV. James Leavitt moved and it was so voted to pass the article as read. It was a vote.

ARTICLE V. William Fowler made a motion to accept the article as read. It was seconded and was a vote.

ARTICLE VI. William Fowler stated that since the next article was related to this one only asking for \$10,000.00 more that he would request the Library Committee to show the merits of the two different proposals so that the people could vote intelligently on them.

Moderator White asked Mrs. Hobbs to explain the two proposals for improved library facilities. The plan for a new

one story building called for the financed balance of \$84,000.00, and an addition to the present library building would cost \$94,480.00. Mrs. Hobbs stated there were no plans to do away with the present library building. It will be used for town offices when no longer needed in its present capacity. She stated that before we open this discussion I would like to move we adopt Article VI as read. The motion was seconded.

Moderator White stated that it had been moved and seconded that Article VI be passed as read and that it was open for discussion.

Shaun Berry stated that he was Chairman of the Planning Board and a member of the Board of Selectmen. In 1963 the Town people voted to spend \$3,500.00 to develop a master plan for the Town of North Hampton. This was to be done over a period of four years. Copies are available at the library. Priorities were listed as follows. Number one was fire station and new pumper. We now have both. Next a new library and Town Offices. As far as the master plan goes we are behind schedule as far as acquiring these.

Shaun Berry also answered the question of Walter W. Tingle concerning electric heat for the new building.

William Fowler asked to have the motion amended to have a vote by ballot.

Moderator White stated it would be by ballot anyway.

Byron L. Kirby assured that if financed in the same manner as the fire station, the library's cost would have very little effect upon the tax rate.

After a lengthy discussion Mr. Mulherrin moved the question. It was seconded.

Moderator stated it would require a two-thirds vote. He asked all those in favor of stopping the debate to raise their hands. It was a vote.

Vote by Ballot on Article VI. YES 231 NO 85

ARTICLE VII. William Fowler moved and it was seconded to take no action on this article. It was a vote.

ARTICLE VIII. Peter G. Brooks moved that the article be passed as read. It was seconded. After a little discussion, Moderator White asked for the vote. It was a vote to accept the article as read.

ARTICLE IX. Constitutional question. On the Ballot.

ARTICLE X. Homer Johnson, Jr. said groups in the towns of North Hampton, Seabrook, Hampton Falls and Hampton are trying to provide a youth-oriented facility. They have purchased land at Park Avenue, Hampton, near Winnacunnet High School and are about to start a financial campaign which would make possible an indoor swimming pool with associated rooms for meetings and a program with a full-time director. He stated he is one of North Hampton's representatives of the Boy's Club plus Charles Brindamour, Jr., Mrs. Donald Palmer and Harold Eames Jr. It was moved and seconded that the article be accepted as read.

William Fowler made an amendment and moved it be accepted to change the wording from "recognize and support the efforts of the Seacoast Boy's Club" to "recognize and appreciate." The amendment was accepted.

Article X with the amendment was brought to a vote, by showing of hands. It was a vote.

ARTICLES XI, XII and XIII on the official ballot.

ARTICLE XIV. Gordon Dow made a motion to accept the article as read. It was seconded. Wilbur Perkins chief of the Fire Department said the truck had been appraised at \$12,000. and a new one of comparable value would cost about \$70,000.

Moderator White brought the question to a vote by a showing of hands. It was a vote.

An ovation and a vote of thanks was given to Chief Wilbur Perkins, the Firemen's Association and Auxiliary.

ARTICLE XV. William Fowler moved and its was seconded that the Article be accepted as read.

Mary Hale spoke concerning the three trailer parks in North Hampton. While the present law limits the number of parks to three, there is nothing in the present law to prohibit them to grow in size. She stated there are 135 taxed mobile home in Town paying an average of \$118.00. That there were 26 children in the elementary schools at a cost per pupil of \$428.20 and three high school students at \$900. She stated any more mobile homes would be disastrous, that the tax base couldn't bear the load.

William Fowler moved an amendment be accepted to change the wording from "To direct the Planning Board," to "Being resolved to request the Planning Board".

Moderator White read the amended Article as follows:

Be it resolved to request the Planning Board of the Town of North Hampton to prepare a comprehensive ordinance for the regulation of installation and operation of trailer or mobile home parks, and to present the same to the Town for action thereon as soon as possible, but in no event later than the town meeting in March, 1973; and be it resolved to request that no further permits for the installation or enlargement of any trailer or mobile home parks in the Town shall be considered until such ordinance is finally acted upon.

A vote was asked for the amended article. It was a vote.

ARTICLE XVI. Maurice Kierstead moved the article be adopted as read. It was seconded.

David Batchelder, road agent, spoke in favor of the change. He stated that he had a great deal of money invested that it would give a little more security from year to year.

Maurice Kierstead stated there was a mistake in the article where it said "Highway Agents shall be appointed annually." He made a motion to have the word "annually" struck. It was seconded.

A vote was taken to change the office of Highway Agent from an elected office to an appointed office and authorize and empower the Selectmen to appoint one or more Highway Agents after the expiration of the term of the Highway Agent elected on March 7, 1972, so that future Highway Agents shall be appointed by the Selectmen and shall not be elected.

Moderator White asked for a vote. Mr. Scheyer and Mr. Mulherrin were counters. It was a vote.

ARTICLE III. It was moved and seconded to accept all amounts on all items with the exception of those asked to be "held" when read. It was a vote.

Sumner Claverie read the Town Budget. Items asked to be held were Police Department, Town Dump & Garbage Removal, Youth Association, Payment of Capital Reserve Funds (Lib).

Police Department. Chief O'Connor stated the increased amount would be used for Salary increases, plus a full time man rather than a part time man for four months. Due to the increase in crime a man would also be needed at the precinct.

William Fowler moved that the money be appropriated as recommended by the Budget Committee. It was seconded.

Moderator White asked for a vote. It was so voted.

Town Dump and Garbage Removal. Byron Kirby stated they were closing the dump, but that they had a rat problem. The rats were going into private homes and that they had to hire an exterminator.

William Fowler moved that they raise and appropriate the money as read. It was seconded.

Moderator White asked for a vote. It was so voted.

Youth Association. Homer Johnson and several other parties spoke on the merits of the Youth Association concerning their request for \$3,684.00, rather than the \$2,617.00 approved by the Budget Committee. Homer asked that the amount be amended to \$3,684.00.

A discussion followed. A ballot vote was taken on the amendment for \$3,684. YES 705 NO 65. It was moved and seconded to accept the amendment. It was a vote.

Payment of Capital Reserve Funds (Lib). It was explained that the purpose of this \$10,000. was in the event the \$84,000. was not approved.

William Fowler moved and it was seconded to delete this amount from the budget. It was a vote. The total Town Budget adopted was \$367,564.36.

ARTICLE XVII. To transact such other business as may legally come before said meeting.

Mr. Kierstead stated that he had a duty to perform for the three Selectmen. He asked that the Town Clerk, Todd N. Carter step forward. He presented her with a Placque of Appreciation and a bouquet of roses for her nine years (1963-1972) of service as Town Clerk. She was given a standing ovation.

Sumner Claverie was given a vote of thanks for his work with the Budget Committee.

Frances Leavitt was also given a vote of thanks for her twenty-seven years as library trustee.

Shaun Berry made a motion to dissolve the Town Meeting. It was seconded. The meeting was dissolved at 10:45.

The Polls closed at 11:10 p.m.

Respectfully submitted,

TODD N. CARTER,

Town Clerk

SELECTMEN'S REPORT

To the Citizens of North Hampton, N. H.:

The Selectmen of the Town of North Hampton dedicate this annual report to the past and present residents who so diligently served with pride and honor our great town. In the past we have dedicated annual reports to individuals who have passed on before us. The present Board of Selectmen is going to enter into this report those people who recently retired from active participation in town affairs. This is to let you know that we, the Selectmen of the Town of North Hampton, appreciate, on behalf of the Town and the Board, the leadership and services rendered by you.

James F. Leavitt. Born in North Hampton, November 28, 1890. "Jim" as he is known to his many friends, has served and is still serving in Town affairs "but" retired from a job "well done", Representative to the New Hampshire State Legislature. So much could be said and written about "Jim". A report in itself.

Todd N. Carter - "Todd" served as Town Clerk before her retirement.

John White - Town Moderator

Richard Goss - Supervisor of the Check List

Marion Mattoon - Supervisor of the Check List

Luella Boothby - Supervisor of the Check List

Paul Hobbs - Supervisor of the Check List

Frances Leavitt - Library Trustee

Hazel Whenal - Library Trustee

All of the above individuals have served in their lifetime many other positions. The positions listed are those upon retirement from public service.

To all of you, may those of us who are presently serving, afford the Town of North Hampton the leadership and heritage that you have passed on to us.

The records of the Town of North Hampton shall have inscribed upon them our appreciation and thanks.

To those of you who are presently helping us with your loyal and faithful support to preserve our heritage the Selectmen are most grateful.

Respectfully submitted,

MAURICE E. KIERSTEAD,

Chairman

DATES AND FACTS TO REMEMBER

Property inventories will be distributed on or before March 25, 1973. If you do not receive one by mail, they are available at the Town Office. It is important that these forms be filed at the Town Office before April 15th. By State Statute, a property inventory must be filed if an appeal is to be heard, if you are requesting a Veteran's Exemption and if you are requesting the over 70 exemption.

Veteran Exemption forms are now permanent. If you have not filed one and believe you are eligible, the forms may be picked up at the Town Office in March. Please bring discharge papers with you for verification of dates of service. The filing of this form does not exempt you from the filing of the Property Inventory form.

Over 70 Exemption forms must be filed each year. They will be available at the Town Office in March.

Deadline for filing both permanent Veteran Exemption form and the Over 70 form is April 15, 1973.

The Town Office is open Mondays, Tuesdays and Fridays 9 a.m. to 5 p.m. and Saturday mornings 9 a.m. to 12 noon. Mrs. Barbara Luther, Administrative Assistant, is available to assist and answer any questions pertaining to inventories, exemptions and other town records on file.

The Town Clerk's office, at the Town Hall, is open Mondays, Wednesdays and Fridays 9 a.m. to 5 p.m., unless otherwise posted.

Board of Selectmen meet regularly Monday evenings at 7:30 p.m. at the Town Office.

NORTH HAMPTON POLICE DEPARTMENT

Report of 1972

January 24, 1973

You will notice that the number of activities is relatively unchanged although breaking and entering has almost doubled. In some instances, nothing was taken and in others, things of little value were taken. Some houses were broken into merely for a night's lodging.

We have police personnel on duty twenty-four hours a day so someone is readily available whenever there is a call. We assist the Police Departments of neighboring towns and the State Police at accidents and in serious situations where several men are needed.

Although the Town continues to grow and new homes are being built for families moving in, we hope that our Department will continue to serve you as it has in the past.

Respectfully submitted,

RALPH A. O'CONNOR

Chief of Police

NORTH HAMPTON POLICE DEPARTMENT

Report of 1972

January 24, 1973

Board of Selectmen
Town of North Hampton
New Hampshire

and

Budgets

THE STATE OF NEW HAMPSHIRE
TOWN OF NORTH HAMPTON

TOWN WARRANT FOR 1973

L.S.

To the Inhabitants of the Town of North Hampton in the County of Rockingham, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the School Building on Atlantic Avenue, in said North Hampton on Tuesday, the sixth of March, 1973, at 1 o'clock in the afternoon; Business meeting to begin at 7:30 P.M.; Polls not to close before 7:30 P.M.; To act upon the following subjects:

ARTICLE I. To choose one Selectman for a term of three years, one Town Clerk, one Town Treasurer, one Collector of Taxes, and all necessary Town Officers for the ensuing year.

(On the Official Ballot)

ARTICLE II. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

ARTICLE III. To see if the Town will vote to authorize the Town Treasurer with the approval of the Selectmen, to borrow money in anticipation of taxes.

ARTICLE IV. To see if the Town will vote to authorize and empower the Board of Selectmen or a majority of them to sell and convey the real property acquired by the Town by tax sales to be sold at public auction.

ARTICLE V. To see if the Town will vote to appropriate the sum of \$37,468.00 for a 1973 H N1250 GPM Pumper Fire Engine and authorize the withdrawal of \$5,800.00 plus accrued interest from Capital Reserve Fund #5 and further authorize the Selectmen to dispose by public auction or private sale the 1947 Ford Pumper Fire Engine #2. The proceeds of such sale to be applied toward the purchase of the new fire engine, and further to authorize withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 the balance necessary for the purchase of the new fire engine.

(Recommended by Budget Committee)

ARTICLE VI. To see if the Town will vote to raise and appropriate the sum of \$7,500.00 for the purpose of construction and furnishing of Town Offices in the old library; \$2,500.00 to be raised by taxes in 1973, and authorize the withdrawal of the balance of \$5,000.00 for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

(Recommended by Budget Committee)

ARTICLE VII. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to be used by the North Hampton Conservation Commission toward the purchase of land on behalf of the Town of North Hampton to be set aside for conservation purposes.

(Recommended by Budget Committee)

ARTICLE VIII. Upon the Petition of Grace B. McCabe and eleven other voters of the Town, to see if the Town will vote to authorize the Conservation Commission to receive gifts of money and property, both real and personal, in the name of the Town, such gifts to be managed and controlled

by the Commission for which the Commission was established.

ARTICLE IX. Upon the Petition of Grace B. McCabe and eleven other voters of the Town, to see if the Town will vote to allow all money appropriated for the Conservation Commission which has not been expended at the end of the year to be placed in a Conservation Fund and allowed to accumulate from year to year in accordance with the provisions of N. H. R.S.A. 36-A:5. Withdrawals may be made from this Conservation Fund for expenditures incurred by the Conservation Commission for the purpose for which the Commission was established.

ARTICLE X. To see if the Town will vote in accordance with the provisions of N. H. R.S.A. 41:31 as amended to change the office of Town Auditor from an elective office to an appointed office and authorize and empower the Selectmen to employ a Certified Public Accountant for the purpose of examining the accounts of the Selectmen, Town Treasurer, Town Clerk, Collector of Taxes, and any other officer or agent handling funds of the Town at the close of each fiscal year and at other times whenever necessary, and report to the Town whether the same are correctly cast and well vouched.

ARTICLE XI. To see if the Town will vote to adopt the amendments to the Town Zoning Ordinance as proposed by the North Hampton Planning Board and as authorized under the provisions of N. H. R.S.A. 31:63a.

(On the Official Ballot)

ARTICLE XII. To see if the Town upon recommendation of the Conservation Commission will vote to designate

all roads in the Town of North Hampton other than Class I and Class II highways as scenic roads pursuant to provisions of N. H. R.S.A. 253:17.

(Recommended by Conservation Commission)

ARTICLE XIII. Upon the Petition of Mollie H. Osborn and eleven other voters of the town to see if the Town Planning Board and Board of Selectmen or any other committee or board having the authority to declare Mill Road a "scenic road" in said Town in accordance with "an act providing for the designation of scenic roads and relative to Town aid" being N.H. R.S.A. 253:17 to declare Mill Road a "scenic road" from the Rye town line on the North to Atlantic Avenue, also known as Route 101D, on the South.

(Recommended by Conservation Commission)

ARTICLE XIV. To transact such other business as may legally come before said meeting.

GIVEN under our hands and seals this 10th day of February, in the year of our Lord, Nineteen Hundred and Seventy-three.

Maurice E. Kierstead
Byron L. Kirby
Shaun G. Berry
Selectmen of

School Warrants

and Budget

**NORTH HAMPTON
SCHOOL DISTRICT WARRANT
THE STATE OF NEW HAMPSHIRE**

Election of Officers — 1973

To the Inhabitants of the School District of the Town of North Hampton, in the County of Rockingham, and the State of New Hampshire, qualified to vote on District Affairs:

YOU ARE HEREBY NOTIFIED TO MEET AT THE NORTH HAMPTON ELEMENTARY SCHOOL AUDITORIUM ON ATLANTIC AVENUE, IN SAID NORTH HAMPTON ON TUESDAY, THE SIXTH DAY OF MARCH, 1973, AT 1:00 O'CLOCK IN THE AFTER-NOON, TO VOTE FOR DISTRICT OFFICERS:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Treasurer for the ensuing year.
4. To choose a member of the School Board for the ensuing three years.

POLLS WILL NOT CLOSE BEFORE 7:30 P.M.

The foregoing procedure calling for election of your District Officers at the annual Town Meeting is authorized by statute (RSA 197:1-a) and was adopted by the District at its 1970 Annual Meeting.

Given under our hands and seals at said North Hampton this 15th day of February, 1973.

NORTH HAMPTON
SCHOOL DISTRICT WARRANT
THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District of the Town of North Hampton, in the County of Rockingham, and the State of New Hampshire, qualified to vote on District Affairs:

YOU ARE HEREBY NOTIFIED TO MEET AT THE NORTH HAMPTON ELEMENTARY SCHOOL AUDITORIUM ON ATLANTIC AVENUE, IN SAID NORTH HAMPTON ON FRIDAY, THE SECOND DAY OF MARCH, 1973, AT 7:30 P.M. IN THE EVENING TO ACT UPON THE FOLLOWING SUBJECTS:

NOTICE: School District Officers are to be elected at Town Meeting (North Hampton Elementary School Auditorium, March 6, 1973, polls open at 1:00 p.m. and will not close before 7:30 p.m.) in accordance with the Statutory Election Procedure adopted by the District at its March, 1970 Annual Meeting.

1. To see what action the District will take in relation to reports of Agents, Auditors, Committees or Officers chosen.
2. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district.
3. To transact any further business that may legally come before said meeting.

Given under our hands and seals at said North Hampton
this 15th day of February, 1973.

RALPH A. O'CONNOR

Chief of Police

NORTH HAMPTON FIRE DEPARTMENT

Report of 1972

The Fire Department responded to 62 emergency calls for various causes throughout the year and a large number of service calls.

The fire loss for the year was \$89,393.41 with the larger loss in a place of business.

In June the town received a rate reduction on insurance going from a DE2 rate to a BE3 rate. The B rate applies to those buildings within 600 feet of a hydrant and the E rate to those buildings within 3 miles of the Fire Station. This rate reduction is the result of the improvements made as recommended in the 1966 Underwriters' survey.

In April Captain Harney and myself attended a two-day Fire Officers' Seminar at Laconia, N.H. A number of call men attended a two-day school at Laconia in June. Lieutenant Goodwin took part in a two and one-half day fire officers' seminar in November also at Laconia.

In October for Fire Prevention Week, Lt. Goodwin and Lt. Savage, with the cooperation of the principal and teachers, an assembly was held at the school where two films on Fire Prevention were shown and prizes were awarded to winners of an essay contest and a poster contest. A parade and demonstration was held on Saturday ending the week.

I would like, at this time, to point out that Fire Prevention is a year-round job and not during Fire Prevention Week only.

Respectfully submitted,

Wilbur D. Perkins,

Fire Chief

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

In New Hampshire, forest fire control is a cooperative State-town program. The Town Forest Fire Warden, appointed by the Director, Division of Resources Development upon recommendation of the Selectmen and the State's District Forest Fire Chief is responsible for fire suppression and other related duties. The State shares equally with the town in the cost of most forest fires, except illegal and careless fires, which are charged to the responsible party. The State further provides fire detection services, prevention programs, fire training for town wardens and crews, and back up equipment for fire suppression.

By authority of the State, the Town Forest Fire Warden controls all outside burning in his town except backyard cooking fires. Any person wishing to kindle a fire when the ground is not covered with snow must obtain a fire permit, free of cost, from the Town Forest Fire Warden. No permits will be issued for fires between 9 a.m. and 5 p.m. unless it is raining, except for commercial purposes.

Please be careful when using fire, remember it can be an extremely useful tool when under control but once allowed to run wild it can become a disastrous and devastating force. Only you can prevent a forest fire.

Number of fires reported and acres burned — 1972 Season

	<i>Fires</i>	<i>Acres Burned</i>
State	410	361
District	101	112

Respectfully submitted,

Ralph Stevens,
District Chief

REPORT OF THE LIBRARY TRUSTEES

During the past year the trustees attended all meetings of the North Hampton Library Building Committee as well as meetings with sales representatives of library furnishings. Other libraries were visited in order to study their equipment and furniture arrangements.

Other meetings attended were the semi-monthly Book Selection meetings, the annual meeting of the N.H. Library Association in North Conway, the annual meeting of the N.H. Library Trustees in Concord and a Council Meeting of the Southeast District at the Bedford Library.

Eleanor Griffin, a senior at Winnacunnet High School, has been working $2\frac{1}{2}$ to 3 hours each week under the direction of the librarian as part of a credit course, namely, the Special Program for Independent Study.

The trustees thank all those who have given books and magazines — many of them as Memorials — to the library. The list is too long to record here. Organizations which continue to contribute include the Woman's Club which sponsors the Community Christmas Tree, the Bush and Bud Garden Club which takes care of the shrubbery and provides a Christmas wreath and the Historical Society which made a cash donation.

The Friends of the Library held their monthly work-meetings to which everyone is cordially invited.

In April, as an observance of National Library Week, the first annual Hobby and Handicraft Day was held. Thirty men, women and children participated. Books from the library were exhibited to illustrate crafts and collections.

June was the occasion of the sixth annual Strawberry Festival and Country Auction. An innovation was the Tail-

Gate Antique Sale and Snack Bar held during the day. Mr. Charles Peck managed the Sale and served as auctioneer in the evening.

Other activities of the Friends included game-parties open to the public and the sale of a Barbie doll, complete with an extensive wardrobe made by Mrs. Eugene Durham.

One hundred and two families and individuals responded to the dues letter sent out by the Friends. Donations varied from \$1.00 to several hundred and each was greatly appreciated and needed. Their fund for library furnishing now stands at \$1,700.00.

Upon the completion of the new building the services of the library will be expanded to include an appropriate area for browsing. A meeting room will make it possible to present film and lecture programs or discussions for all age groups as well as story-hours for the children.

Art exhibits are in the planning stage. There will be a featured "Artist of the Month". Hopefully, there will be locked display cases in the "special collection room".

The trustees hope everyone will take advantage of and enjoy their new library.

Respectfully submitted,

Dorothy E. Hobbs

Jane M. Palmer

Ruth K. Griffin

Library Trustees

LIBRARIAN'S REPORT

To the Trustees of the North Hampton Public Library:

The following is a report of the library from January 1, 1972 to December 31, 1972:

New books added		601
Adult fiction	171	
Adult non-fiction	265	
Children's books	165	
Books given to the library		111
Books Circulation	27,859	
Magazine Circulation	3,100	
Record Circulation	471	
	<hr/>	
Total Circulation	31,430	

The librarians attended the Library Workshops, Book Selection meetings and the Southeast District Advisory Council meetings held in 1972. Roberta attended numerous committee meetings, and Jane completed the spring extension course in Public Library Techniques at U.N.H.

Our library received many welcome gifts of books, magazines, and records, which are excellent additions to our collection.

The "Little Red Wagon" children's program, given by the U.N.H. theater group, was held at the Rye Public Library, and sponsored jointly by the North Hampton and the Rye Friends of the Library. It was a great success.

We now have our movie projector through the generous donations of our library patrons and the help of the North Hampton Friends of the Library. We are now working

toward a projector screen. When our new library is finished, we hope to plan more programs in the future.

Also our annual summer reading program was enjoyed again this year, encouraging the children to continue using books through the summer months.

REPORT OF THE NORTH HAMPTON LIBRARY BUILDING COMMITTEE

After the amount of \$84,000.00 was approved by the 1972 Town Meeting for a new library, the total funds available were \$165,327.00. Shortly thereafter, the State Librarian informed the library trustees of an additional grant of \$6,506.00 to the North Hampton Library which increased our Federal Aid to \$54,897.00 and our grand total to \$17,833.00.

Before finalizing the library plans, it was necessary to arrange with Mr. and Mrs. David Peters to exchange a small piece of their land in order to better locate the library. This was greatly appreciated.

The bids were opened in July, the lowest being that of Ricci Construction Co. for \$188,258.00.

After a period of negotiations on the part of Mr. Ricci and the sub-contractors, a contract was signed on September 22, for the amount of \$165,754.00. It was necessary to make contract changes in the building amounting to \$22,504.00 and to eliminate all new furnishings. The architect voluntarily took a substantial reduction in his fee. It was agreed that no change would be made in the size of the building as it was important not to sacrifice needed space.

In December, the Fuller Foundation made a Memorial Gift to the North Hampton Library. The main room will be named in memory of the late Alvan T. Fuller, former governor of Massachusetts and a summer resident of Little Boar's Head for many years. It is impossible to express how great is the appreciation of the building committee for this generosity of the Fuller family and we know the feeling is shared by all the residents of the town.

Currently we are making an appeal for donations and Memorial Gifts, a complete report of which will appear in the 1973 Town Report.

1972 REPORT OF THE BUILDING INSPECTOR

The residents of the Town of North Hampton voted on March 7, 1972, to adopt the National Building Code (1967 abbreviated edition) and the National Electrical Code (1971) and to empower the Board of Selectmen to appoint a Building Inspector to supervise and enforce these codes within the Town of North Hampton. Subsequently the Board of Selectmen, on May 10, 1972, appointed Homer B. Stoddard as Building Inspector. Since that date he has maintained his office in his home at 29 Pine Road, North Hampton, with office hours from 2:00 to 4:30 P.M., Monday through Thursday, or by appointment.

Based on the record of building permits issued since his appointment and earlier records available to him, the Building Inspector reports a town growth of 119% over 1971 growth, or a total value of \$1,379,492.50, including 32 new homes and 2 new businesses.

Since his appointment it has been the responsibility of the Building Inspector to assist the residents of the Town of North Hampton in the technicalities of compliance with the newly approved codes, and it is his desire to be available for any necessary consultations on such matters. The codes are stringent and all-inclusive of many requirements too numerous to discuss in this report, but property owners are reminded that a valid permit is required before beginning any construction, alteration, addition, maintenance, moving or demolition, or use and occupancy of all structures and services. Penalties for noncompliance with the codes are provided for and will be imposed upon any persons adjudged to be in violation of any section of these codes.

It is believed that the Town of North Hampton will continue to show growth in the future, and with the cooperation of its residents, the Building Inspector and other town officials, this growth can be evidenced by a safe and attractive community.

Respectfully submitted,

HOMER B. STODDARD,

Building Inspector

REPORT OF THE NORTH HAMPTON CONSERVATION COMMISSION

In compliance with R.S.A. 36 A-2, the Conservation Commission submits the following report to the residents of North Hampton.

The Conservation Commission met monthly throughout the year and was involved in many activities affecting our town's natural environment. In order to get an idea how the townspeople felt about a number of conservation issues, the Commission distributed questionnaires prior to the 1972 Town Meeting. A very good percentage of our citizens answered the questionnaire and a tabulation of the results may be found at the end of this report. In brief, the answers revealed that an overwhelming majority favor land acquisition for conservation purposes by the town, and current use land taxation to encourage preservation of undeveloped areas.

Several people indicated that they would be willing to help the Commission on specific projects. A telephone committee has been formed to alert these volunteers to environmental problems as they occur.

In the early spring, the Commission heard a talk about recycling given by an Amesbury, Massachusetts resident who had organized a program for that town. We have engaged in some small, exploratory recycling projects in North Hampton involving newspapers and tin cans. At the annual spring roadside clean-up day, four cubic yards of tin cans were separated from the twenty-two cubic yards of trash collected and these were recycled. Although one hundred and seven persons participated in the clean-up day, more volunteers were needed. This year's clean-up day will be held on April 7th. Please plan to lend a hand! In addition to the roadside clean-up, paper drives were held in cooperation with the Boy Scouts and on one occasion eight tons were

collected in a single day! Newspapers will be collected on town meeting day again this year, so bring your bundles of papers and help the recycling effort.

Our town's growth rate has accelerated sharply in the last few years and open space and undeveloped land is disappearing fairly rapidly. Because of this situation, the Conservation Commission has taken an increasingly strong interest in developing methods of insuring that an adequate amount of open space survives in North Hampton. Two methods available to the town are actual purchase of ecologically or recreationally important land, and the acquisition of easements which restrict development of property. One citizen has already offered a conservation easement to the town which would guarantee that the particular property would not be developed. The terms of this easement are presently being finalized. As this method of preserving open space becomes more widely known, the Commission expects more public-spirited citizens to give conservation easements to the town.

One piece of property was considered by the Commission to be especially important to the town for recreational and conservation use and this summer an attempt was made to persuade the owner to consider selling the property to the town if it were so voted. However, no funds were available for a deposit and the opportunity was lost. The Commission's new budget contains a sum for this purpose so that future chances won't be missed.

In another land use action, the Commission reported some cases of illegal wetlands filling to state authorities. The state has taken action on these violations. We are very pleased to report that several owners of saltmarsh property in town have donated these areas to preservation organizations during the past year. In order to better understand land use problems, some Commission members attended seminars and hearings relating to open space usage and watersheds.

A tree nursery for the town has been started by the Commission on a plot of state-owned land located off Dearborn Road. The land has been cleared and plowed and young trees will be planted this spring for later use in the town.

Besides purchase and easement, the Commission feels that carefully considered changes in some town ordinances could contribute to better land use and development patterns. Commission members have met jointly with the Zoning Board of Adjustment and the Planning Board to try and coordinate proposals for new ordinances. Several drafts have been supplied to the Planning Board for their consideration. An article has been entered on the town warrant to include all eligible town roads under the provisions of the state Scenic Roads Act.

Since the new power plant complex proposed for Seabrook would have considerable impact on North Hampton in terms of new transmission line right-of-ways and other effects, the Conservation Commission registered as participants in the hearings being held to determine the suitability of the proposed site.

The members of the North Hampton Conservation Commission thank all citizens, town officials, and business establishments who have cooperated in achieving the goals of the Commission.

*Results of the North Hampton Conservation
Conservation Questionnaire — March, 1972*

	% Yes	% No
1. Would you favor the town acquiring open space areas for future parks and recreational facilities?	95	5
2. Do you favor preserving any specific scenic natural, or wildlife area in town? (Location?)	82	18
3. Do you favor taxation of undeveloped land according to its current use rather than its highest potential use?	80	20
4. Do you feel that the town should set boundaries around water areas within which no building construction is allowed?	87	13
5. Do you favor a solid waste recycling plant in the seacoast area?	83	17
6. Do you favor a town operated rubbish collection?	39	61
7. Do you feel that our highways are salted too heavily?	69	31
8. Are there other land, water, or air pollution problems that you are concerned about? (Specify)	56	44
9. Do you favor an elected town agency with the authority to enforce environmental laws?	69	31

1972 REPORT OF THE NORTH HAMPTON RECREATION COMMISSION

In 1972 the summer recreation program was extended to include an eight week period, from June 19 through August 11. This program has increased in both size and scope in the three years since its inception, and this year we registered more than 180 youngsters between 6 and 12 years of age, with a number of Jr. High students also involved as volunteer workers.

Eileen Sharp assumed the full responsibility for organization and direction, assisted by her staff - Ray Clements in charge of sports activities and Pam Robbins who ran the arts and crafts program. With such a large group of youngsters participating, it would have been impossible to have as interesting, varied and successful program without the assistance of Frank and Carol Bosch who volunteered their time daily.

Weekly trips to Pawtuckaway highlighted the activities, with as many as 140 youngsters attending on one day. Tennis lessons were a popular addition, as well as softball games with Hampton and Rye teams. Field trips were made to the University of New Hampshire animal and plant research center and livestock barns and to a Red Sox baseball game in Boston. We also had a performance by a traveling puppet troupe which inspired a puppet show given by the 6 to 9 year olds on Family Fun Nite. This evening concluded a very successful summer recreation program, with many families participating in the picnic supper and then being entertained by the older group of youngsters who presented a play.

1972 REPORT OF THE NORTH HAMPTON YOUTH ASSOCIATION

This was another successful year for the NHYA with over 400 individual registrations.

A new program, Soccer, was added this Fall with about 60 boys in the 7-12 age group, participating. Other sports for boys were Baseball, Basketball, Football and Ice Hockey. Softball was provided for girls.

The first portion of a three year schedule to improve the NHYA Baseball field was completed. This consisted of replacement of wooden outfield fence by vinyl covered chain link fencing. We plan to replace the rest of the fencing and expand the field to accommodate Football and Soccer.

Operating funds came from the following sources: town appropriation, registration fees, raffle and donations. Registration fees for each sport were increased to \$2 per participant beginning with the Fall sports. Again, we have been able to avoid direct solicitation from a single element of the community such as the businesses. We feel that the cost of the Association activities should be borne by the entire town since the whole community benefits. Although, a new program was added, our request for town support is more than \$750 less than last year's.

All income is used for equipment purchase, repair, ice rental and facility upkeep. There are no paid personnel in the Association.

We are very thankful for the many dedicated people in this town and neighboring towns who devote considerable time and effort in developing our youth.

Respectfully submitted,

HOMER JOHNSON, JR.
President

NORTH HAMPTON AMBULANCE CORPS

North Hampton, N.H.

314 contracts issued to residents of North Hampton, 1972.

95 emergency calls received, 1972.

1921 miles covered by ambulance service, 1972.

The North Hampton Ambulance Corps respectfully presents the following report of their activities for the year 1972:

Though the Corps is few in numbers, every request for emergency assistance during the past year has been promptly answered, and assistance to the sick and injured given.

Early in the Spring our President Donald Colbeth and his family moved to Florida and the position of President has been filled since that time by Mr. Sumner Claverie.

In compliance with the new state law for ambulances and ambulance attendants all personnel are now in possession of state registration cards as well as current American Red Cross Advanced First Aid cards.

During the year the Corps received many Memorial gifts of money, some of which was used to buy a pulse monitor and other pieces of valuable equipment we are now required to carry in order to operate a class 1 vehicle and service to the community. To all persons who so thoughtfully sent these donations we extend a most sincere "thank you", for it is through these kindnesses and prompt payment of your contracts and contract renewals that we are able to continue this service to the town.

This report would not be complete without another sincere "thank you" to both the Police and Fire Departments who never fail to lend a helping hand.

For persons not yet acquainted with our service, contracts may be obtained by writing to: Mrs. Joseph Cronin, Treas., P. O. Box 131, North Hampton, N. H. 03862.

Respectfully submitted,

SUMNER CLAVERIE,
President

by N. L. CARTER,
Secretary

SEACOAST HOME HEALTH ASSOCIATION

The Seacoast Home Health Association serving the towns of North Hampton, Hampton, Hampton Falls, and Seabrook is most commonly known as "The Visiting Nurse Association", but its scope has become far wider.

Because of both Federal and State requirements, Home Health Care may also mean teaching a member of the family to properly care for a child, or anyone in the home who is ill. It also means checking and following up on T. B. cases, operating a "Well Child Clinic", assisting School Nurses (at their request) with an immunization clinic — and much more than giving a bed-bath or a shot, although the latter are necessary.

The following report of our Nurse Supervisor, Mrs. Doris Gardner, gives an excellent picture of the growth and activity of our Association:

"Since the Seacoast Home Health Association was established three years ago there has been a steady increase in the number of calls made each year. From 2089 in the year ending June 30, 1970, to 3886 in the year ending June 30, 1972. Due to the increase in case load our Staff now consists of three full time Registered Nurses, and one part time Licensed Practical Nurse. In addition to the nursing staff our agency now has under contract a physical and occupational therapist. The service of a speech therapist is available when required.

"There are 44 children from our area being followed by the State Crippled Children service. We make visits to these families at the request of the State Public Health nurse when there is any problem regarding appointments or medications.

"Our Well Child Clinic, which was started in May 1971 at the request of the State, has been well received. It has been proven that there is a definite need for this service as

we now have 248 children enrolled, and have discharged 98. Services provided at the clinic include Physical Examinations by Dr. Whitney, a complete immunization program, routine hemoglobin, counseling regarding dental care by a State Dental Hygienist, and Nutrition counseling by Rockingham County Home Economist. Growth and development assessments are done by agency nurses, and follow-up home visits WHEN REQUESTED BY THE PHYSICIAN. The outreach worker at our clinic has referred 81 patients to the Family Planning Center in Exeter, and 11 children have been referred to the Crippled Children Service, Pediatric, Diagnostic, or Heart Clinics.

“The Well Child Clinic is funded by the State with regard to supplies and salary of the doctor, and due to the generosity of the Trinity United Church of Seabrook, N.H. is held the first Friday in each month at their Parish House located on Lafayette Road. Appointments must be made in advance.

“Our last report showed 9 patients being followed under the State T. B. Program. Currently our records show that this has increased to 14. Monthly visits are made to check on medications and x-ray appointments.

“Members of the staff have taken advantage of any educational opportunities offered in the area some of which include a monthly Pediatric conference presented by the doctors from the Exeter Clinic, bi-monthly conferences given at Exeter Hospital on Cancer, programs presented by the State on T. B., Maternal and Child Health conferences at the University of New Hampshire, as well as workshops on Arthritis, Stroke, Nutrition, Cystic Fibrosis and re-habilitation nursing.

Doris Gardner, Nurse Supervisor.”

Between July 1, 1972 and December 31, 1972, 2113 calls have been made by our nurses, an increase of 212 over the same period last year. 458 of these calls have been free.

The fiscal year of the Association runs from July 1, to July 1 each year, but the Annual Meeting is held the second Tuesday in January. This makes budgeting a bit difficult as the need increases. We must bear in mind that the population of ALL southern New Hampshire towns has increased very rapidly during the past few years.

On behalf of the Board of Directors I wish to express our appreciation to the four Towns involved, to the organizations and private citizens who have contributed to this worthwhile work, and the ladies who have given volunteer service at the Well Child Clinic.

The Board is very proud of our Staff who are dedicated and conscientious nurses, and of our efficient part-time Secretary.

On January 1, 1973 it was necessary to move to larger quarters at 33 Winnacunnet Road, Hampton, where our nurses may be reached at phone number 926-2066.

HELEN W. HAYDEN, President

Seacoast Home Health Association.

THE STATE OF NEW HAMPSHIRE

SCHOOL WARRANT

MARCH 3, 1972

To the Inhabitants of the School District of the Town of North Hampton, in the County of Rockingham, State of New Hampshire, qualified to vote on District Affairs:

YOU ARE HEREBY NOTIFIED TO MEET AT THE NORTH HAMPTON ELEMENTARY SCHOOL AUDITORIUM ON ATLANTIC AVENUE, IN SAID NORTH HAMPTON FRIDAY, THE THIRD DAY OF MARCH, 1972, AT SEVEN-THIRTY O'CLOCK IN THE EVENING, TO ACT UPON THE FOLLOWING SUBJECTS:

NOTICE: School District officers are to be elected at Town Meeting (North Hampton Elementary School Auditorium, March 7, 1972, polls open at 10:00 A.M. and will not close before 7:30 P.M.) in accordance with the Statutory Election Procedure adopted by the District at its March 1970 Annual Meeting.

1. To see what action the District will take in relation to reports of Agents, Auditors, Committees of Officers Chosen.

Diane Jones moved that the article be accepted as written, seconded - hand vote - passed

2. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payments of statutory obligations of the district.

Joseph LeBlanc read the School Boards budget line item by line item - holding line item #400. Sumner Clavierie questioned the overexpenditure. Sumner Clavierie made the motion that the figure of \$502,930 be accepted as read for the total budget - Diane Jones

made an amendment to the motion to read \$505,967.78 - seconded. The meeting then moved to the question which is on the floor which was Diane Jones' motion - hand vote yes 25 - no 19.- It is a vote.

3. To transact any further business that may legally come before said meeting.

Anthony Parkinson stated that on behalf of the school and the school board he wishes to thank Mr. Joseph LeBlanc for all of his contributions to the school and and to the town of North Hampton.

The School Board stated that plans must be made to alleviate the overcrowded conditions of the school.

A motion was made for adjournment - seconded - hand vote - passed. Meeting adjourned at 8:20. (44 people in attendance)

TOTAL	\$24,265.00	\$15,298.00	\$13,610.00

SUPERINTENDENT'S REPORT

To the School Board and Citizens of North Hampton:

I submit, herewith, my annual report for the North Hampton School District.

The State Board of Education has mandated that each Supervisory Union is to prepare a master plan for staff development. By July 1 of 1975 we must submit individual requirements based on this plan for all certificated personnel within Supervisory Union No. 21. These programs will replace the certification requirements now in existence that are based on the accumulation of college credits.

Specified activities for continued certification must fit within the following categories:

1. Knowledge of subject or service area.
2. Basic teaching skills.
3. Orientation restructure and operation of local schools.
4. Exploratory or innovative activities.

A fifteen man committee made up of pupils, parents, teachers, and administrators has been elected and is at the present time working to meet State requirements through recommendations to the several school boards.

Their first task is a needs assessment. This will be an examination of programs and personnel throughout the Union to determine what procedures for staff recertification can be implemented to best serve the needs of our communities.

Their task is a most important and difficult one. I wish them well!

As part of my report I will include the lists of the revised Powers and Duties of the Superintendents, School Boards, and Principals as voted by the State Board of Education on January 17, 1973.

Superintendent —

Preamble — The Superintendent shall serve as the executive head of the public schools. He shall be responsible for planning and administering their affairs subject to statutory requirements, the regulations of the State Board of Education, and the policies of the local districts. The position shall develop and maintain a system of public schools, capably staffed to provide quality education and supportive services. The Superintendent shall provide, develop and implement the procedures to achieve educational objectives within his administrative unit.

In performance of those duties, he shall be directly responsible to the State Board of Education through its Commissioner, and the Board or Boards of the Supervisory Union.

The Superintendent may be supported by one or more assistants such as assistant superintendents, business administrators and teacher consultants. He shall delegate such of his duties as is necessary and desirable for the efficient completion of the requirements of the position.

1. The Superintendent shall nominate all professional central office personnel.

2. The Superintendent shall direct and supervise the work of all employees of the district and shall have all powers necessary to make such direction effective. While the Superintendent has ultimate responsibility, he may delegate powers and duties to other personnel.

3. He shall nominate all certificated staff and appoint other employees in accordance with the laws, regulations of the State Board of Education, and school board policies.

4. He shall be responsible for the selection and purchase of textbooks and all other scholastic apparatus and supplies in accordance with the regulations of the school

board and the State Board and see that the same are suitably distributed to the school, accurately accounted for and economically used.

5. He shall be responsible for developing and recommending to the school board the annual budget for the support of the educational program and for the operation and maintenance of schools in accordance with School Board policy.

6. He shall be responsible for an accounting system and financial reporting procedure in order that all funds will be accounted for in accordance with local school board policy, and local and state law.

7. He shall be responsible for the development of an educational plan for the district or districts and for recommending a program of studies suitable to the needs of the pupils and the community in accordance with local school board policies, state statutes and State Board regulations.

8. The Superintendent may, for cause, remove a teacher or other employee of the District in accordance with state statutes.

9. He shall recommend the dismissal of certified staff to the Board, recognizing its authority to dismiss according to the statutes.

10. He shall provide for temporary vacancies and shall have the authority to secure supplies immediately needed for the operation of the schools.

11. He shall be responsible for maintaining records and making reports as required by the State Board of Education and the local school boards.

12. He shall admit pupils to school attendance in accordance with the laws of the state and the regulations of the State Board and policies of the local board. He shall assign them to such classes and grades as he finds their needs warrant.

13. He shall provide for the alleviation of hazardous conditions of an emergency nature that affect the health and welfare of pupils.

14. He shall be responsible for the evaluation of personnel and programs in accordance with local school board policies.

15. He shall be responsible, after notice, for the implementation of the policies and regulations of the State Board of Education. He is expected to participate in the development and evaluation of said policies and regulations as requested by the Commissioner of Education.

School Boards —

1. The school boards shall adopt such policies as are necessary and desirable to control and effectuate the recruitment, employment, evaluation, and dismissal of teachers and other employees and may delegate authority to the superintendent of schools to carry out the provisions of such policies excepting that no teacher shall be employed who has not been nominated by the superintendent of schools and elected by the school board.

2. The school board shall adopt such policies as are necessary and desirable to control and effectuate the purchase of equipment, supplies, or services and may delegate to the superintendent of schools the authority to make commitments in accordance with such policy.

3. The school board shall, through appropriate planning and required action, make suitable provision for the physical accommodation of all students in approved schoolhouses or other suitable facilities; shall provide required transportation of students; and shall provide that all school buildings and other learning environments be maintained in a manner consistent with acceptable standards of health and safety.

4. The school boards shall seasonably prepare a budget of school expenditures and make suitable and timely assign-

ment of the school money to the various needs of the schools. In state-aided districts, accounts shall be kept at the State Board shall require and shall be open at all times to the inspection of the superintendent, any other officer of the State Board and to the public in accordance with the Laws of the State of New Hampshire.

5. They shall hold meetings for the transaction of business at least once in two months and shall require the attendance of the superintendent or his designee. The board shall cause a written record to be kept of each meeting.

6. School boards shall, in consultation with the Superintendent and in accordance with statutes and regulations of the State Board of Education, determine the educational goals of the district, develop long-range plans and identify measurable and attainable short-term objectives. The school board shall require the implementation of educational programs designed to reflect the goals and objectives and further, the school board shall require the appropriate review of such programs and make public the results of such investigation.

7. The school board shall exercise all powers and perform all duties vested in and imposed upon the school board by law or regulations of the State Board which are not committed to the superintendent or by them expressly delegated to him.

Principals —

1. The school principal shall be responsible for the internal organizational structure of the school, the programs of the school, the governance of the student body, the utilization of technology and the utilization of the plant in accordance with local school board policy and/or as directed by the superintendent of schools.

2. The school principal shall evaluate and make recommendations to the superintendent concerning candidates for

professional and non-professional positions within the school administrative unit in accordance with local school board policy and/or as directed by the superintendent of schools.

3. The school principal shall assign, direct, and evaluate all personnel employed within the school administrative unit in accordance with local school board policy, administrative regulations, and as directed by the superintendent of schools.

4. The school principal shall perform any other duties assigned by the superintendent of schools in accordance with local school board policy, state statutes and regulations of the State Board of Education.

I would like to thank the students, staff, school board members, and citizens of North Hampton for assisting me over the past year.

Respectfully submitted,

RICHARD C. HAMILTON,
Superintendent of Schools

PRINCIPAL'S REPORT

1972-1973

To the School Board, Superintendent of Schools, and citizens of North Hampton:

I submit the following information for the North Hampton Elementary School.

The growth in school population shows a continuous upward trend. The close of school last June 1972 witnessed 576 students. The school enrollment in January 1973 is 608 students.

Our building is now functioning with an overload of approximately 100 pupils. All available space has been utilized, to include a section of the cafeteria for custodial use, a sub-standard room for art, and the lobby coatroom for supplies. The cafeteria is also used for physical education.

The staff has increased to 32, excluding personnel in the areas of cafeteria, custodial, band, aides and monitors. In addition to the customary areas of our curriculum, i.e., language arts, mathematics, science, social studies, physical fitness, music and art, we have entered into another successful year in educational counseling, motor coordination therapy, speech and reading therapy. Our band has also grown in size along with increased interest and participation in other areas of music, art and athletics.

The teaching staff has been involved with most areas of curriculum and policy improvements, e. g., pupil progress evaluations, language arts, workshops, teacher certification, and future educational and school building needs.

While attempting to keep our reputation for providing a high caliber of education, we have been quite successful in holding down the cost of school accounts over which some control can be exercised, i. e., academic supplies and materials.

Respectfully,
C. T. PAWLOWSKI,
Principal

REPORT OF THE SCHOOL NURSE

To the Superintendent of Schools and the School Board of
North Hampton:

I respectfully submit the following report of the School Health Program for the School Year 1971-72.

The school health program occupies an important place in the total educational effort of schools. Through carefully planned health experiences in school and in his life outside the school, a student is motivated both to conserve and to improve his own health and the community health. He will have a far greater opportunity to achieve happiness and success in family and community life. He will have a far greater chance of being "healthy" in the broadest sense of the word. We believe that only through the active and sincere efforts of school, home and community can health be promoted; knowledge be extended; and attitude and behavior of all students be positively directed.

Routine procedures carried out during the year include the following:

Tuberculin tests were administered to all school personnel and to first graders not tested by the family physician. A total of seventy-seven tests were administered. Six known positive reactors had chest X-rays. There were no new positive reactors. Twenty-six members of the staff received flu vaccine. The administration of flu vaccine helps to prevent illness of staff members.

Speech therapy is held one-half day per week under the direction of a speech therapist from the Portsmouth Rehabilitation Center. Eighty-nine pupils were evaluated and of these twenty-eight received therapy. Due to increased enrollment over the past few years, increased time is needed for speech therapy.

All pupils in all grades are weighed, measured, have hear-

ing and vision tests. Inspections of skin, hair, teeth, and posture are also done. There were six visual defects found and corrected. Four hearing defects were found and three of these were corrected at the close of the school year.

Physical examinations were given by Dr. Sidney Baker and Dr. Hugo Hochschild to all pupils in levels one, four, and seven. Boys participating in extra-curricula sports activities also had physical examinations. Blood pressure tests were done on older students. As a part of the physical examination, urinalysis was done on pupils in the above levels. A total of 188 pupils were examined by the doctors. Forty-four physical defects were found and thirty-five had conditions which were corrected by the family physicians.

This year I was able to do some perceptual testing, auditory discrimination tests and I worked with a few pupils on perceptual training. We now have a fulltime counselor and a part time physical therapist at North Hampton so my work in this area has decreased.

Every year emergency care of the ill and the injured increases due to increased enrollment. There were 3,038 pupils treated for an illness or injury during the year. A great deal of time is spent contacting parents regarding these pupils. All medication for pupils is kept in the nurse's office and dispensed at the proper time.

Health knowledge is made available to students in specific health classes, in units in other classes, and through incidental health counseling. The nurse is available as a health consultant and resource person in the field of health. Specific areas of health covered in classes are: smoking, communicable diseases, personal hygiene, dental health, human body, safety, good health habits, nutrition, drug education, family life, and medical self-help.

Registration Day for pupils to enter the following September was held on May 18, 1972. At that time sixty-three chil-

dren registered. Each child had vision, hearing and speech evaluations. They were also weighed and measured. New legislation in New Hampshire was passed regarding School Health Services and information regarding immunizations and physical examinations prior to school entrance was given to parents at this time.

Conferences are held frequently between the nurse and the teacher, counselor or parent. Cumulative health records are made for all pupils and pertinent health data added to the records as the pupil advances through school.

Respectfully submitted,

DOROTHY STAPLES, R.N.

School Nurse
